

## NORWICH GETS A SET BACK

Half Back O'Hara Out of  
Game With Twisted  
Ankle

HAS BEEN A STAR  
IN ALL THE GAMES

Coach Potter Has Task To  
Fill O'Hara's Shoes  
Against Middlebury

Northfield, Oct. 27.—Chances for a Norwich victory over Middlebury in the first game for the state title here to-morrow were given a setback to-day when it was announced that Jack O'Hara, crack left halfback, who turned an ankle in scrimmage Wednesday, will be out of the line-up. O'Hara, who is a freshman, starred with his broken field running in every game this season, and his loss may prove even more severe than was the absence of Bill DeWitt, line-plunging right halfback, who was injured in the Dartmouth game.

Filling O'Hara's place presents Coach Potter a real problem for broken field runners are not as numerous on the squad as are men who can hit the line. Allen Rice, a rook, who has been going good in practice, and Jon Forand, an end who has been tried at halfback where he has displayed ability, will take O'Hara's place, according to Potter's present plan.

The quarterback and right half positions may also produce changes in the shape of Pencheon running signals for Bradley and Marsden back in DeWitt's place. Both Bradley and DeWitt, suffering from injuries, have not been going any too well this week. Walsh will continue in full. All in all it will be quite a different combination than any that has started in the backfield in the earlier games of the season. No changes are contemplated in the line.

Manager Northrup has set the time for the kick-off at 2 o'clock.

### SHOULD HAVE FIRED COMMITTEE

And Let the Skippers Run Their Own  
Race, Says Henry Ford.

Boston, Oct. 27.—Henry Ford, who was in this city to-day in the course of his vacation tour in New England, in an interview commented on many topics, including the international fishermen's races at Gloucester where the American schooner named for the manufacturer lost to the Canadian Blue Nose. He suggested that the races would have been more of a sporting feature "if they had just fired that committee and the two skippers had handled the races themselves."

### DIED AS HE WATCHED RACE.

John J. Pedrick Had Just Exclaimed  
The Ford's Losing.

Marblehead, Mass., Oct. 27.—Just after he had exclaimed "the Ford is losing," John J. Pedrick retired shoe manufacturer, who with former Selectman William J. Goldthwaite was watching the international fishermen's race through marine glasses from a window of his home here yesterday noon, dropped backward, dead. A physician summoned immediately pronounced death due to heart failure. Pedrick, who was 72 years old and prominent in the county, had been in normal health and had yesterday morning walked from town to his home, a distance of a mile and a half. He is survived by a wife and a sister.

### DARKEN HAIR! LOOKING YOUNG

Nobody Can Tell When You  
Restore Gray, Faded Hair  
With Sage Tea

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.—adv.

## BONAR LAW EXPLAINS.

How He Came to Ansest the Premier-ship.

Glasgow, Scotland, Oct. 27. (By the Associated Press).—Arousing ovation was given Prime Minister Bonar Law when he rose to address an audience of 1000 persons in St. Andrew's hall last night, and set forth the principles upon which his party stood. He devoted the opening of his speech to an explanation of how he came to resume the leadership of his party. This came about, said the prime

minister, when it was realized that the coalition was losing ground and a split in the party was inevitable, not through intrigues, but owing to discontent in the constituencies through-

out the country which were clearly determined to terminate the existing parliament and start afresh under different conditions.

Mr. Bonar Law said he believed it would have added to the strength of labor to have set up a party, on the one hand representing opinions opposed to labor and on the other a party representing labor alone.
